## LEHIGH UNIVERSITY INDUSTRIAL ASSESSMENT CENTER

### OUR PROGRAM:

Lehigh University Industrial Assessment Center (LU-IAC) helps small and medium sized US manufacturers save energy, improve productivity, and reduce waste by providing **no-cost** energy assessments conducted by a team of students and faculty. Companies that participate in this program are eligible candidates for a **\$300,000 implementation grant** from the **US Department of Energy**.

### AM I ELIGIBLE?

Eligible manufacturers must meet the following criteria:

- Annual energy bills: \$100K - \$3.5M
- Annual sales under \$250M per site
- Standard Industrial Codes (SIC) 20-39
- Within 150 miles of Lehigh University

### NEXT STEPS

Visit us at <https://luiac.cc.lehigh.edu> (Scan QR code) to **apply for an energy assessment at no cost to you** and IAC staff will contact you shortly. Based on this assessment, the IAC team will provide recommendations on energy and waste reduction. IAC clients are required to participate in a follow-up survey.
